At Aussietecture, quality control isn't an afterthought—it's built into every step of the process. We don't wait until the stone is cut to inspect it; instead, we start from the very beginning of production. By applying rigorous, proactive quality standards at every stage, we ensure that excellence is not just achieved—it's guaranteed. Every cut, every detail, every step is monitored with 110% dedication to quality.

The advantages of most Aqua Mix® Stone, Tile & Grout Sealers are: They're safe water-based products that are utilizing the latest in sealer technology. Most emit low or no VOCs (Volatile Organic Compounds), and prevent a variety of stains – both oil and water-based. Allow MVT (Moisture Vapour Transmission)

## Recommended Sealing Solutions

Desired Effect	Recommended Product	Result
Natural Look and Stain Protection	Sealer's Choice Gold	Provides maximum stain protection with a 4-hour cure time while maintaining a natural look. Utilizes safe, non-toxic water-based technology.
